CHANGING WEATHER

Remember to send a jacket or sweater with your child. We will go outside any day the temperature is 40 degrees or above. Also remember proper foot apparel as children cannot run and climb in flip flops and crocks. Finally, remember accidents happen so please keep a full change of clothes in your child's backpack keeping in mind the changing seasons.

Director's Spotlight

Registration is going well. We have several classes that are full and a good start on the others. We are working on many exciting things for next year, we hope you will join us. If you love this school, please recommend us to someone you know who is looking for a school for their pre-school student. Don't forget the \$50 referral credit that you will receive.

Please use the web site for updated information about school activities. I hope you are all enjoying the Shutterfly pictures.

My door is always open, if I can help in any way.
